### BERTHA

is our indoor charcoal oven which is used to add serious flavour to many of our dishes including beef brisket which is 6 hour smoked with a Turks rub, pork belly which is brined and smoked for 6 hours and our Sunday beef rump cap and Sunday chicken is also finished in the Bertha.

One of the best known award winning butchers in the UK, who sell the finest grass fed dry-aged beef.

### simplicity.

Simple and delicious vegan food made with fermented vegetables by chef Neil Rankin.
